members of the building committee as hereby constituted to meet with the said mayor and members of the board of aldermen within ten days after they assume office and organize: *Provided*, the said R. N. Ramsey and E. J. Ebbs shall hold office for a term of six years and until their successors are elected and qualified, and any vacancies occurring in said board shall be filled by the remaining members of the committee.

SEC. 9. The said building committee of the town of Marshall shall not grant a permit for the erection of any business house on the main street in the town of Marshall within the fire limits prescribed by said aldermen, except where the material to be used in the construction of said building is to be brick or some other fireproof material.

SEC. 10. Said building committee shall not permit the reconstruction or the remodeling of any wooden building now existing in said fire district so as to convert same into a business building.

SEC. 11. The building committee of the town of Marshall is hereby authorized to refuse to grant a permit for the improvement of any old dilapidated building constructed of wood when they deem its improvement would not be to the best interest of the town of Marshall.

SEC. 12. The said building committee of the town of Marshall shall not grant a permit for the erection of any building within seven feet of the curbing on the edge of the main street or any of the streets in the town of Marshall, and shall not grant a permit for the erection of any building within seven feet of the margin of any public road or street leading out from the main street within the corporate limits of said town of Marshall: *Provided*, that the upper edge of the slope on the upper side of any road or street is hereby designated as the margin of the road or street.

SEC. 13. The building committee of the town of Marshall is hereby authorized and empowered, and it shall be its duty, to see that any building erected by virtue of any building permit is completed in compliance with the specifications mentioned and specified in said permit, and any person erecting a building or having erected any building under a permit granted by the building committee shall, upon notice from the building committee, complete the building according to the permit, or be subject to the fines and penalties prescribed for building without a permit, said completion to be done within a reasonable time after notice.

SEC. 14. The building committee of the town of Marshall is hereby authorized and empowered to condemn any old dilapidated building situated on the main street in the town of Marshall that they find by investigation to be dangerous, or a nuisance, or detrimental to the best interest of the town of Marshall.

SEC. 15. The building committee of the town of Marshall is hereby authorized to order and direct any building to be repaired,
